SUBJECT STORAGE OF POND CRETE, SALT CRETE, AND SEWER SLUDGE

The plant is in need of additional storage space for pond crete, salt crete, and sewer sludge. Waste Operations is pursuing additional space and is requesting support and approval from Health, Safety & Environment.

Additional pond crete, salt crete, and sewer sludge will be stored on the mixed waste storage pad located west of the 903 pad. These waste forms are packaged in approved configuration for shipment and disposal offsite.

If you have any questions, please call.

C. D. Bretzke, Manager
Waste Compliance & Planning

Approval:

R. A. Link, Manager
Operational Health Physics
